Monthly Classes

We have added another opportunity to participate in our popular **Mini Quilt of the Month**. The 2nd Thursday from 1:30 to 3:30 has been added to the usual 2nd Friday from 5:30 – 7:30. January’s design will feature a Snowperson with a personality and will be on Jan. 12th or 13th; February will be pieced hearts on Feb. 9th or 10th; and March will have an Irish Flair on the 8th or 9th. The cost is \$10.00.

Do you have any tools that you **JUST HAD TO OWN** only to use them once (if at all) and now they are an attractive display on your wall?
 We have the class for you! Come in for our Play with Tools Class

Starting in February each month will be based on a different type of tool. Now here is the catch. **DO NOT PURCHASE A NEW TOOL**. Bring in one you already own. Okay, you can borrow one from a friend. During the class we will demonstrate how to use it, and then we will play to see what can be created. February’s class will be using Triangle templates/rulers. Date: Saturday, Feb. 11th or Wednesday, Feb. 15th 10:30-1. Cost \$15.00
 Oh yes, bring in some fabric from your stash to use.
